4 DREAM STOPOVERS

NOUMÉA, PACIFIC FRENCH RIVIERA

Nouméa, the capital of New Caledonia, is a modern and vibrant city, with a blend of French sophistication and Oceanian atmosphere. A mix of architecture, gastronomy, shopping, and leisure activities between land and lagoon makes this city the true cultural and economic heart of the country. All around, the beaches give visitors the feeling of being on the ‘Côte d'Azur’ (The French Riviera).

MARÉ, WELCOME INTO THE WILD

Maré is the wildest and the highest island of the three Loyalty Islands. Its outstanding and unspoilt sites echoes the traditions of its inhabitants. Carved out by the lagoon, Maré counts numerous caves and natural pools that attract fishes and turtles. The island is also famous for its avocados which are celebrated once a year.

3 EXCURSIONS TO MARÉ

- Excursion of the Takone factory (essential oils)
- Yejele transfer (beach tour)
- Eni tour (tribe welcome)

LIFOU, KANAK SPIRIT

Lifou, the main Loyalty Island, is characterised by the variety of its landscapes: white sandy beaches, pristine waters, towering cliffs, huge caves... It is also famous for its vanilla plantations, its spectacular diving spots and its preserved hiking paths. As friendly as warm, Lifou’s inhabitants share their traditions and cultural heritage with visitors.

5 EXCURSIONS TO LIFOU
